

CALL FOR PAPERS

The 2nd Electrical Engineering International Conference

EEIC'23

Bejaia, December 05-06, 2023

Organized by
Electrical Engineering Department
Faculty of Technology
University Abderrahmane Mira-Bejaia

❖ With a consortium of research laboratories

Aims

The second Electrical Engineering International Conference (EEIC'23) will provide a forum for researchers and students to present and share recent research results and ideas in the field of Electrical Engineering and related topics. EEIC'23 will be held at the University A. Mira of Bejaia (Algeria), and will be organized by the Electrical Engineering Department, Faculty of Technology. The opportunity will also be offered to the various actors of the socio-economic sectors to express their concerns to the scientific community and to study together the possibilities of exchange and cooperation on current research topics carrying new and innovative ideas.

Topics

- T1. Control System and Applications
- T2. Electrical Machines and Drives
- T3. Electric Power Systems
- T4. Electromagnetic Field and Compatibility
- T5. Electrostatics and High Voltage Engineering
- T6. Power Electronics and Applications
- T7. Renewable and Sustainable Energy
- T8. Robotics and Artificial Intelligence
- T9. Signal and Image Processing
- T10. Telecommunication Systems and Networks

Conference Location

The 2nd International Conference EEIC'23 will be held at the University Abderrahmane MIRA of Bejaia (Algeria). Bejaia is located in the heart of the Mediterranean region 220 km east of Algiers. It is home to numerous natural sites and historical vestiges that still bear witness to the splendor of the history that has marked North Africa. Renowned in Europe for the quality of its beeswax candles to which it gave its name: "Bougie". Bejaia is also a significant industrial pole of the area, in particular by the concentration of many industries and one of the largest oil and commercial ports of the Mediterranean.

Honorary Chairs:

Pr BENIAICHE Abdelkrim, Rector of Bejaia University

Pr BOUKERROU Amar, Dean of Technology Faculty

General Chair: Pr BELAID LALOUNI Sofia

Co-General Chair: Dr KASDI Ahmed

Paper Submission

Prospective researchers and students are invited to submit their papers in English: Full papers (in docx or pdf format, minimum 04 pages; maximum 06 pages) according to the EEIC'23 template format via the conference web site:

<https://eic23.sciencesconf.org>

Accepted, registered and presented papers will be published in the proceedings of EEIC'23 with International Standard Number.

Extended version of selected papers in EEIC'23 will be considered for publication in the following journals after a reviewing process.

Journal of Electrical Systems
ISSN 1112-5209
Indexed by Scopus and ISI

Journal of Renewable Energies
ISSN: 1112-2242
EISSN: 2716-8247
